

Lord,

*I am learning that there is an awful lot I can't do.*

*I can't control life the way I am used to.*

*I can't make people be what I want.*

*I can't stop the pain inside me.*

*I can't even fully submit to your plan yet — I'm still too frightened of You.*

*But I know that there is one thing I can do right now.*

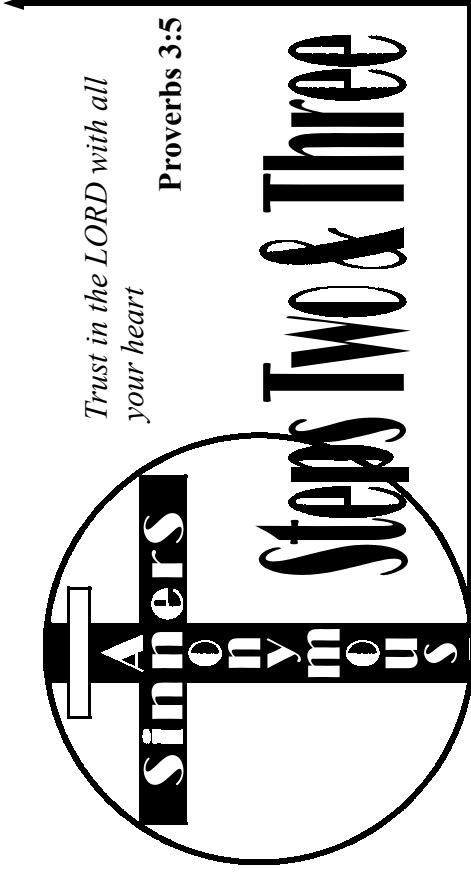

*I can make a decision to turn my will and my life over to you.*

*Making the decision doesn't mean I have to make it happen.*

*Making the decision doesn't mean I understand You or Your plan.*

*Making the decision doesn't even mean I'm entirely willing, but it does mean that I know Your way and will is right.*

*Lord, turn my simple decision into reality.*
